

**HYDRO
2018**

**STUDENT ASSISTANTS FOR INTERNATIONAL
CONFERENCE ON HYDROPOWER & DAMS:
“Progress through partnerships” is taking place at
AMBEREXPO, Gdansk – Poland, 15 to 17 October 2018**

**HYDRO
2018**

We are looking to find ten students with an interest in hydro and dams construction, who will receive free access to the event and we will require them to assist us with various tasks during the event from Saturday 13th October until Wednesday 17th October. You will be able to network with over 1400 participants at the event from over 85 countries. We will provide food during the event and preparations, as well as a recommendation letter. You will be able to access some sessions of interest and most of the VIP evening social programmes. During the past years, our student assistants were excellent individuals, who had fun during the event, did a lot of work and also established contacts with their potential future employers. **Send us your application as soon as possible as half of the students will be selected in July. Final deadline for application will be 3rd September 2018.**

WORK AND PERSON DESCRIPTION

We are looking for outgoing individuals able to communicate in English and having an interest in the Dams & Hydropower industry. We require proactive dynamic individuals not shy to speak to foreign business executives in both formal and informal situations. The work will include assisting the Sales & Marketing team during the organization of the event and set up. This will include unpacking the freight, delegate bag preparation, setting up posters, liaising with exhibitors and delegates, sales, registering attendees at the conference registration desk and also assistance with exhibition logistics.

WHAT YOU WILL RECEIVE

- Certificate of attendance at this event and reference letter
- Food and drink provided each day
- Access to the evening social programme and the final dinner (subject to availability). You will be encouraged to network with the delegates and so gain valuable contacts for your future professional careers
- €150 bonus on the last day

HOW TO APPLY: Please send your CV, covering letter and photo to the email address below.

Melanie Ganz
