

Gdańsk, 19.10.2017 r.

Concern: Call for offers no. 21/D/ApBad/2017 – delivery of apparatus forming a set of the microwave coaxial components.

Questions and explanations

On behalf of the Ordering Party - IMP PAN informs that on 18.10.2017 the Contractor received the following queries concerning the contents of the SOPZ:

Pytanie 1:

Can we quote in EUR please? We noticed that in “offer form” is Polish currency and in contract draft in English version is EUR.. Can we correct “offer form” in EUR please?

Odpowiedź 1:

Yes the offers can be quoted in EUR.

Pytanie 2:

Technical question. Part 1 b) - we have coaxial isolator from our partner Renaissance 2A4NF, but it has SMA female connectors (<http://www.rec-usa.com/online/Images/2A4NF.gif>) Is it possible quote isolator with SMA female or it is necessary to add 2x adapter SMA male to N female please?

Odpowiedź 2:

As it was stated in the Detailed description of the subject matter of the contract 21/D/ApBad/2017 all items should have all of the connectors of N type. Thus any apparatus with SMA connectors (or other type of connectors) or apparatus equipped with additional adapters will not be considered.

At the same time Purchaser informs that, as a result of the submitted questions, the deadline for submission of tenders is not changed.
